Welcome to Old Town

Old Town is a Southern Living Inspired Community nestled in the heart of beautiful Columbus, Georgia. It's a blend of southern charm, modern elegance, and an unparalleled sense of community.

Here at Old Town, life is a little sweeter and a whole lot simpler. More than just an event venue, Old Town is multi-use community. From gorgeous custom designed homes, to both urban & garden style apartments, to a Main Street with shops & restaurants. We like to think of Old Town as taking a step back in time; when the world moved at a slower pace & every aspect of life was truly enjoyed.

The Town Hall venue reflects signature & timeless architecture with a high-touch approach to hospitality. Each custom-designed aspect of our event spaces were created to offer the essential elements of successful, effortless entertaining.

Old Town is managed by the Woodruff family of companies: Woodruff Brokerage Company, Woodruff Property Management Company & Woodruff Development Company.

We can't wait to share Old Town with you.

Our Event Spaces

The Town Hall

Situated in the center of Old Town, the Town Hall is the focal point of the community.

Our Town Hall is the perfect spot for an intimate Southern wedding. The white clapboard, large Gothic windows drench the space in natural light & add to the special ambiance. The floors of the Town Hall are laid with over 1000 square feet of gorgeous heart pine.

Traditionally, Southern nuptials are announced with the ringing of a bell. To bring that acoustic tradition to Old Town, a hand-forged bell was added to the top of the tower. The bell can be rung the old-fashioned way: by hand.

The Town Hall was designed by the architecture firm Historical Concepts & built by Columbus' own Woodruff Contracting Company.

The Town Green

The Town Green is located directly behind the Town Hall. This expansive space of lush green grass is the perfect spot for your wedding reception.

Tents can be rented from any local company, but our preferred Columbus vendor is Ray Rents.
